News of Petersburg

The Times-Dispatch Bureau, 5 Bollingbrook Street, Petersburg, Va., April 25. (Phone 1450.) The Presbytery of East Hanover will meet in the Tabernacle Presbyterian Church, in this city, on Monday evening, and the opening sermon will be preached by the retiring moderator, the Rev. F. W. Phillips, of Richmond. The Presbytery controls the territory between the Tappanhook and the North Carolina line, with forty-four organized churches, forty ministers, a church membership of between 7,000 and 8,000, and a Sunday school membership of nearly or quite 8,000. Each church is entitled to representation in the Presbytery by its pastor and an elder, so that a large attendance is expected.

Several speakers of national reputation are expected to deliver addresses during the session. On Tuesday night a popular meeting in the interest of education for the ministry will be held, and the Rev. Theron H. Rice, D. D., has been asked to deliver an address on the subject of "The Need of Men for the Ministry." The Rev. W. W. Moore, D. D., is expected to speak on "The Christian Home."

On Wednesday afternoon the Sunday school will be discussed.

On Wednesday morning and again at night the Rev. H. F. Williams, D. D., will address the Presbytery on the great foreign missionary work of the church. The different phases of home mission work will occupy a large part

of the time of the Presbytery. Reports from the various churches will be received, and it is understood that these reports will show liberal contributions to all the benevolent causes of the church.

Jackson Monument Fund. At the meeting yesterday afternoon at Petersburg Chapter, United Daughters of the Confederacy, Mrs. Charles C. Bolling, of Richmond, delivered an address in the interest of the observance of May 1 as Stonewall Jackson Day, when the people of Virginia will be asked to make contributions to the fund for the erection of a memorial to the great Confederate soldier. The chapter endorsed the movement, and pledged its aid in the sale of flags in Petersburg.

Installation and Banquet. Petersburg Lodge, Loyal Order of Moose, last night installed its newly elected officers as follows: Past dictator, C. William Koenig; dictator, Dr. G. H. Reese; vice-dictator, E. L. Piers; prelate, E. D. McKenney; inner guard, C. Strickland; outer guard, W. W. Clayton; treasurer, W. H. Cole; secretary, Percy R. Lanier; sergeant-at-arms, J. L. Dugan; trustees, H. E. Gilliam, Fred A. Dalton and F. H. Cole.

The installation ceremonies were conducted by Deputy Grand Dictator Robert Gilliam, Jr. The ritual work of the order was exemplified, and a number of candidates initiated. Another attractive feature of the evening was the an-

nual banquet which followed the business session, to which about 100 members sat down, and at which a number of brief talks were made. William Koenig was elected delegate to the national convention of the order, which meets in Milwaukee in July, with Robert Gilliam, Jr., as alternate.

Early Saturday Closing. A strong movement has been inaugurated by the good women of the city in the interest of the early closing of stores on Saturday evenings. Mrs. William Hodges Mann is president of the organization, and Mrs. Walter A. Williamson is secretary. The object is to get the people of the city to pledge themselves to do their Saturday shopping before 12 o'clock, noon, and thus enable the merchants to close up their places of business at an early hour. To this end, a committee has been appointed from the city to solicit signatures to a pledge to do all Saturday shopping before noon of that day. It is understood that the merchants will gladly accede to the request for early Saturday closing if the public will co-operate with and enable them to do so.

Death of Mrs. Pollard. Mrs. Emma Jane Pollard, wife of James E. Pollard, died this morning at her home, on Commerce Street, after a long illness. Besides her husband, she is survived by one son and three daughters—Benjamin Vaughan, Miss Anna Lee Vaughan, Mrs. E. J. Chandler and Mrs. James Sadler, all of Petersburg; and one sister, Mrs. Susan Henshaw, of South Richmond.

Sales of dark tobacco at the warehouse this week were 155,375 pounds at the following quotations: Lugs, \$4 to \$5; smooth lugs, \$9 to \$10; short leaf, \$8 to \$10.50; shipping leaf, \$11 to \$13; cut leaf, \$20 to \$25. Sales of light tobacco for the season to date, 4,899,560 pounds. Sales of bright for the season, 1,293,786 pounds.

General News Notes. Another Petersburg boy with General Funston's company is now on the way to Mexico, is Lieutenant Leonard T. Gerow, of the Nineteenth Infantry. He is the son of L. H. Gerow, of this city.

Mr. and Mrs. George S. Stewart, of Nebraska, are visiting the battle lines and other historic points around Petersburg.

The Rev. George H. Spooner, pastor of Market Street M. E. Church, will preach to-morrow night on "War," a subject in which the nation is just now deeply interested.

Mrs. A. R. Ganter, of Lincoln, Neb., who has been visiting her son, Mrs. A. W. Baxton and other relatives in this city for several months, has returned home.

NEWS OF SOUTH RICHMOND

INTEREST IN PRIMARY

Supporters Claim Southside Candidates Will Be Elected by Large Majorities.

All political interest on the Southside centres in the Democratic primary on Tuesday. Quiet, but thorough campaigns have been conducted by the aspirants for office, and all factions are claiming victory. The three Southside candidates, Carter C. Jones and John M. Moore, for re-election to the Common Council, and W. W. Workman for

the Board of Aldermen, will be supported loyally.

On account of the vigorous campaigns conducted by the South Richmond Democratic Business Men's Association, leading citizens are expected to pay their poll taxes and register, it is expected the vote on this side will be considerably larger than last year.

STATE FAIR SUE

Aviator Claims He Was Not Fully Paid for Flights at Grounds.

The Virginia State Fair Association is defendant in a suit which will be tried to-morrow morning in Hustings Court, Part II. Charles J. Straub, an aviator, of Ohio, seeks \$600 in payment of a debt, which, he claims, is the balance due on a contract for exhibitions of his aeroplanes at the Fair Grounds during the week of October 9-16, 1913. In the declaration Straub claims that he was to make two daily flights. According to him, only \$200 was paid. The defendant claims that the full amount of the bill was paid, and that nothing further is due.

To-Day in Southside Churches.

The revival services which have been conducted by Rev. W. C. James in Bainbridge Street Baptist Church for the past two weeks will close with the sermon by Rev. John W. Kinchloe to-night. Much interest was shown in the meetings, and there were a number of conversions.

Rev. Lloyd C. Moore will preach this morning in West End Methodist Church on "The Perfect Ideal of Life," and to-night on "The Pleasures of Sin."

In Stockton Street Baptist Church the subject of the sermon to be preached by Rev. H. L. Johnson will be "The Fatherhood of God." His theme this evening will be "A Godless Invitation."

Rev. W. A. Cooper will preach this morning in Central Methodist Church on "How Shall We Live?" and to-night on "Card Playing and Social Drinking," continuing a series of "Familiar Talks on Familiar Topics."

Rev. John G. Scott will conduct regular services this morning in Meade Memorial Episcopal Church.

Will Not Consolidate.

In order to silence a rumor which has been circulating on the Southside, it was given out yesterday that no consolidation has been considered by the Manchester Lodge, No. 82, Benevolent and Protective Order of Elks, of this city, with the Richmond lodge. The Southside organization intends to remain a separate and distinct branch. It was said.

New Playgrounds Opened.

With the opening of the two playgrounds, at Twenty-second and Everett Streets and Twenty-second and Stockton Streets, yesterday it is understood that the recreation grounds which were run at the Powhatan School last summer will be discontinued. The apparatus will be installed on the former grounds, and they will be made modern athletic fields. Games were played yesterday on the baseball diamonds and tennis courts, which have just been laid out.

In Police Court.

The case of Anna King and Sus Ford, charged with cursing and abusing Mrs. A. K. Patterson, was continued until Monday by Magistrate L. B. Franklin yesterday in Police Court, Part II.

Ed Threlk, colored, was sent to jail for ninety days on the charge of abusing his brother, and was fined \$100 for carrying concealed weapons.

Fire Destroys House.

A two-story grainhouse belonging to N. W. Min, on the Ninth Street side, was destroyed early yesterday morning by fire. Nearly seventy-five barrels of corn were consumed, entailing a loss of about \$80. Effective work on the part of firemen, manning a chemical wagon from the Southside department, prevented the flames from spreading to Mr. Martin's dwelling.

TO RECLAIM SWAMP LANDS

Whaley Introduces Bill Appropriating \$1,000,000 as Drainage Fund.

Washington, April 25.—Representative Whaley, of South Carolina, to-day presented in the House a bill appropriating \$1,000,000 for a drainage fund for the maintenance of drainage work, to reclaim wet, overflowed and swamp lands in the United States.

Mr. Whaley insists this public work is necessary to promote the general welfare and to prevent the spread of malaria and other diseases. The Secretary of Agriculture is given charge of the distribution of the fund. The States are to pay four-fifths of the cost of each drainage proposition undertaken within their border.

Rev. E. C. Cooper Resigns.

[Special to The Times-Dispatch.] Lynchburg, Va., April 25.—Rev. E. C. Cooper, who for two years has been pastor of the Holy Trinity Lutheran Church, here, has tendered his resignation. His future plans are not known.

Assistant Surgeons Named.

[Special to The Times-Dispatch.] Washington, April 25.—In anticipation of the need of additional surgeons in the navy in connection with the Mexican War, President Wilson to-day nominated a long list of assistant surgeons in the medical reserve corps to be active assistant surgeons in the navy. Among them were Carroll Baker, Martin B. Hiden and Horace V. Corbett, of Virginia.
